

# Welcome to the Peter Chelčický Museum

Go with us in the footsteps of ancestors of Chelčicko-Region and of the historical complex of the cultural landscape of Libějovicko-Lomecko; touch the medieval period of Peter of Chelčice and get to know his personality and work.

**Peter Chelčický-Museum and his legacy in Chelčicko-Region is a positive compromise of the informative and entertaining concept of museum exposition.**

**The elements of the exhibition contents are designed in atypical form with the contemporary spirit, they are simple and purposeful with a high accent on the main idea of Peter Chelčický, his bequest in the work Net of Faith.**

The first visitors who could view the whole exposition on three floors of Peter Chelčický-Monument with interactive elements, the regional as well as historic part of the exposition and the document about Peter Chelčický were the bikers at the Festivities of Flowers on May 1, 2010.

Since that time, the monument serves to the wide public, person interested in the history, in religionistics, in Peter Chelčický, to the researchers of the writings of Peter of Chelčice and also to casual tourists passing by...

The project was implemented by the Citizen Association: Blossom of South Bohemia'Garden - MAS and the Municipality of Chelčice.

The equipment of the interactive exposition was financially supported by a grant by the South-Bohemian Region.
